## November Newsletter 2008

Dear Parents,

Congratulations to the Confirmation candidates who received this Sacrament last month. It was a very special evening and our children were a credit to their families, the school and parish community. Mgr Turner was very impressed by the knowledge and understanding of the Y6 candidates and I take this opportunity to thank Fr John, the school staff and all those who helped to prepare the children.

Since the clocks went back in October we have darker nights and I ask that all children take extra care with parents on their way home from school. We had road safety talks in every class and we should ALL be more cautious especially with the road works on Whitegate Drive and Newton Drive.

Thank you to all staff, parents and children for your involvement in ECO Week. We are all stewards of God's world and we need to ensure that we

take care of the planet for future generations as well as cutting costs. I hope that you are still using your carrier bag and water saving device for the toilet!

I look forward to seeing you all at Parent Consultations helping school and home to work together for the benefit of each and every child.

Yours sincerely

*Frances Wygladala*

Thanks to all who supported our first fundraiser of the year. Well done to all the children for their fantastic and very frightening costumes and special thanks to the PTFA Committee who organised the event.

### NEXT MEETING

Wednesday 26th November at 3.45pm in the Y2 classroom. Please note the new time for the meeting. We hope that new members will be able to join us.

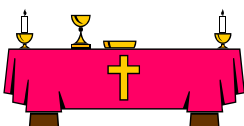

### NEXT EVENT

Friday 12th December 6.30pm Christmas Party Disco in the Hall.

Congratulation to Mr and Mrs Jackson who were married in St Kentigern's Church in October.

### First Holy Communion 2009

Preparation for First Holy Communion will begin on November 12th. Please meet in the Parish Centre for a 6.30pm start. The meetings are for both parents and children. All

families and children are invited to the Mass of Enrolment in Church on Sunday November 23rd, which is the Feast of Christ the King and Youth Sunday. This will give all the children the opportunity to meet with Prayer Partners and to show their commitment to the Sacramental Programme.

### HARVEST FESTIVAL

Thank you for your generous donations to our Harvest Festival. Goods were distributed between local charities such as Streetlife and Vincent House as well as sick and housebound parishioners. The Harvest Festival is a powerful example of us living out our faith and sharing what we have with those less fortunate.

We also raised £46.12 for CAFOD in the retiring collection. Thank you.
